

STUDY WORKFLOW AND SUPPORT

CTSI NAVIGATOR / CTSINavigation@labiomed.org

We can assist you at any stage in the research process. We will work in tandem with you to provide support, advice, and management. All the complexities of the research process, from initial planning through to its conclusion, are supported by our new service. **Request a consultation with us at CTSINavigation@labiomed.org or (310) 781-3613 or (310) 222-2503**
